COMMEMORATIVE BOOKLETS

A LASTING LEGACY

At Mourning Dove Design Studio, we design and produce personalized Commemorative Booklets for funeral and memorial services, which offer an enduring tribute to the memory of your loved one. Your special collection of photos and treasured memories are tastefully compiled and arranged into a professionally designed and beautifully printed booklet that is a warm invitation to family, friends and acquaintances to share in the celebration of a cherished life.

Providing such a permanent keepsake is truly unique. Commemorative Booklets enhance the memorial service experience by allowing each guest to view photos and read poignant passages in a quiet and profoundly personal way before and during the service; afterward, the booklet is theirs to keep. Mourning Dove Commemorative Booklets may also serve as a source of great comfort to family members and friends unable to attend the service.

AN UNDERSTANDING APPROACH

Losing someone dear is among life's most emotional and devastating experiences. Attending to the myriad details of planning a funeral or memorial service can quickly compound your grief, increase your stress and, quite simply, overwhelm you, at a time when you are most vulnerable. Mourning Dove is here to help.

We offer a variety of strategies to make gathering photos and choosing the written passages as stress free as possible. Our team is sensitive to the unique circumstances that bring you to our doorstep. We will do everything within our power to make the process of assembling the content for the booklet as easy as possible.

A CREATIVE ENDEAVOR

Mourning Dove offers a choice of three basic formats depicted inside this brochure. Within these formats there is significant flexibility to customize your booklet and ensure that your keepsake truly reflects the unique life and spirit of your loved one. Your booklet may include:

- Photos
- Personal remembrances
- Biographical information
- Excerpts from the eulogy
- Scriptural passages
- Poetry
- Quotes
- Humor
- Symbolic imagery that reflects a person's beliefs/likes/passions/etc.

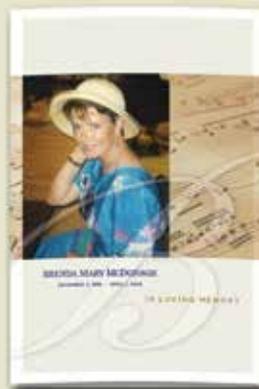

While the decision-making process can be challenging, Mourning Dove's expertise will guide you throughout the experience in a comforting, unobtrusive and compassionate manner. You may also find the creative collaboration especially healing and restorative — a vital goal in our unwavering commitment to you.

*The design of our Commemorative Booklets can be enhanced by featuring a thematic motif as a visual backdrop for the photos and passages. A particular interest or passion of the deceased can be highlighted and used as a design element throughout the piece. This thematic approach is not essential for a successful design, but can be a way to further represent a loved one's spirit.
